The amazing commentary on the *Sunan* of Imam Tirmidhi by the great hadith master of our time, 'Allamah Muhammad Yusuf al-Binnuri, considered by many the inheritor of the knowledge of Imam al-'Asr 'Allamah Anwar Shah al-Kashmiri, is now available online. This commentary, which unfortunately was left incomplete and only reaches the chapters on Hajj, is a detailed explication of 'Allamah Kashmiri's lectures and commentary on the *Sunan*. In it, 'Allamah Binnuri details the unique legal argumentation that made the knowledge of 'Allamah Kashmiri so outstanding amongst not only his peers but even his predecessors in the fields of hadith and fiqh.

The more recent edition published by Dar al-Tahqiq wa 'l-Irshad in Karachi is a much cleaner copy but is not yet available in pdf form. This edition, published by the H.M. Saeed Company, is however the more common and in vogue edition of the book.
